“ I am so sorry for your loss. We will never know why but GOD does! I have been a widow for 10 years and I still miss him. Though you can't see it now, it will get better although we never forget. I know Harry and Donna from Faith Assembly 25 years ago. Our children were close in age. Please tell them my prayers are for all of you that God will give you peace and ease the pain deep inside you. “ Brian,

Thank you for being a wonderful brother-n-law. Alicia, I, and the boys will miss you dearly, but we are so happy to know you are with your Lord and Savior. You really touched a lot of people. Alicia was really proud of you and how great of a man you became. We love you and we will miss you. Don't catch all the bass up there, save a few holes for me. Good bye for a little while. “ *To the Family,
We have you in our hearts and prayers. We remember the many times at Glen and Janie Truitt's home on Truitt Lane when Brian was there and sometimes his family would be there also. When he would leave we would often talk about what a nice young man and how happy we were that he would share some of his time with us. He was always quiet but there to help or just "be with Glen and Tracy". My Dad always loved when Brian was there. He left a special place in the hearts of many and he left this side much too soon but we do not know God's plan and can only trust He is the one in charge and that He will always help us through.*

May you find some peace in God's love.

“ My heart aches for the pain I know you, Donna & Family are going through. This scripture below has given me some comfort, hopefully you will find the same.
My thoughts and prayers are with you.
