“ To all of Chris's family,

I have known Chris since the 8th grade. I'm lost for words. Cody, Chris, & Myself were great friends growing up. Though I've not seen him for a few years, I know he was a great person. He was a blast to be around, and had a huge giving heart.

I know Chris is up in Heaven now. I pray that the Lord will give you the comfort & bring you peace that only HE can give you.

Chris will live on in our hearts.##imported-begin##Charity Treat##imported-end##

“ Words cannot even begin to express the sorrow I have in my heart for all of you. I came across this message I thought might bring you some comfort.

What moves through us is a silence, a quiet sadness, a longing for one more day, one more word, one more touch, we may not understand why you left this earth so soon, or why you left before we were ready to say good-bye, but little by little, we begin to remember not just that you died, but that you lived. And that your life gave us memories too beautiful to forget.

*Hold tight to those memories for comfort. You are in my prayers.
I love you all,*
