“ To Mrs. Barbara, Dan, John and all the family:

There are times when living on the other side of the world just really stinks--this is one of them. I cannot begin to express how we wish that we could have been there with you today. There's nothing that we could have said to make the day lighter, but it would have been our privilege to cry with you. Please know that we are lifting you up to our heavenly Father! We will continue to pray for you in the coming days, and look forward to the time when we can wrap our arms around you and just be there.

We thank God for His precious gift of salvation, and we praise Him for the testimony of Bro. David! I look forward to the day when we are all able to celebrate Christmas Eve together with our Savior! What a day that will be!

“ Since we will be unable to attend the service, we wanted to take this opportunity to notify all of Dave's family that they have our deepest sympathy for their loss. Dave was a huge source of information when it came time for me to have my knee replacement. He was a mentor, so to speak, as I prepared both my mind and my body for this surgery. He was a trusted friend and neighbor whom we have known for over 30 years.##imported-begin##Charles and Linda Rhodes##imported-end##
