“ My heart is breaking, but in one sense it is rejoicing. I know our love ones met her with open arms. Her, Uncle Noah, Aunt Jo and momma are together again. Now I truly know she feels what's in my heart. She is walking those streets of gold, like grandma always taught us. I wish I could be there with you.
I love you very much and may God comfort you all.

“ Grace was such a wonderful woman who lived by her belief of caring for her family, friends and those she served in the community. Her love of animals, especially cats was left where ever she went. “ I met Grace over 20 years ago thru her daughter and my friend Sheila. "Big Things Come In Small Packages" describes Grace in many ways; she was small in stature but had a heart and personality as big as the world. Her compassion and love for people and animals were beyond compare. The world is a better place because Grace was here.

My thoughts and prayers go out to Sheila, Debbie and Family.##imported-begin##Jenny Cramer ##imported-end##
