“ I love you and miss you. You are in the presence of your Lord and Savior Jesus Christ! Hallelujah!!! You are also rejoicing with Grandpa and those who have gone before you! Those who are left behind miss their Mother, Grandmother, Aunt, Sister, Friend. But we rejoice that you are in your eternal home, Heaven, with your Lord and Savior! I will always treasure the memories I have of you. Your kindness, gentleness, your hugs and smiles that could lift any downhearted individual. Your home cooked meals topped off with strawberries picked by your gentle hands. You understood what it meant to serve others, and have been an inspiration to me. I look forward to that day when you and I can converse together with our Lord and Savior Jesus Christ! I'll bring the strawberries. I can only imagine what you must be feeling right now, face to face with Christ your Savior! With all my love, your grandson, Dan.##imported-begin##Dan Bowlin##imported-end##

“ Grandma - you were always a shining light in my life. The memories of hot summer days, early morning garage sale runs, and the smell of home-cooking. A woman of great faith and great love. You are now free of this world and free of burden. Love always, your granddaughter.##imported-begin##Becky Brandt##imported-end##

“ *Our prayers have all been answered.*

I finally arrived.

The healing that had been delayed has now been realized.

No one's in a hurry.

There's no schedule to keep.

We're all enjoying Jesus, just sitting at His feet.

If you could see me now, I'm walking streets of gold.

If you could see me now, I'm standing tall and whole.

If you could see me now, you'd know I've seen His face.

If you could see me now, you'd know the pain is erased.

You wouldn't want me to ever leave this place,

If you could only see me now.

My light and temporary trials have worked out for my good,

To know it brought Him glory when I misunderstood.

Though we've had our sorrows, they never can compare.

What Jesus has in store for us, no language can ever share.

If you could see me now, you'd know I've seen His face.

If you could see me now, you'd know the pain is erased.

You wouldn't want me to ever leave this place,

I will miss you Miss Lottie. I will miss you enjoying hamburgers. I will miss seeing you play chinese checkers with your family. I will miss doing your laundry on Fridays. I will miss your sweet smile. But if I could see you now, I would never want you to leave that place. “ I am blessed to be the great-child of one of the kindest, most godly women I have ever met. Great-grandma Young has had a great impact on seemingly everyone around her, always looking to serve others and never herself. Though I miss her, she has given me some great memories and I am encouraged by the thought that I will see her again one day, united with our Lord and Savior in heaven.##imported-begin##David Bowlin##imported-end##

“ Grandma:

Even though we were always miles apart, you were always in my heart. These past six years, getting to know you all over, were the best. Looking forward for more to come.

Love you Grandma (PAST THE SKY).
