“ Deeply saddened to hear of the untimely passing of our friend Marc. He was a kind and thoughtful man and we really enjoyed his friendship. He'd come by the house from time to time to share a beer and some laughs, we'd talk arrowheads and dogs and swap stories of mutual friends. Condolences to the Mayes family, our thoughts and prayers are with you and with Marc. Brad and Sandie Minter##imported-begin##Brad and Sandie Minter##imported-end##

“ I'm so sorry for your loss. I worked with Marc for many years, I probably annoyed him some of the time, but I like to think we were friends and I wished him nothing but the best. He always enjoyed talking about his cabin, taking care of his dogs, watching storms come in, and trying out his new camera on pictures of lightning. Marc was definitely one of a kind and he will be missed. My thoughts and prayers are with you.

While I did not have the opportunity to work with Marc for a long period, I very much enjoyed what time I did. I'm sure we will all miss his joking personality. Our thoughts and prayers are with you and your family through this difficult time.

Though it has been years since we have worked together, and I rarely knew him outside of work we had a lot of interesting conversation. Marc was the person I looked forward to coming in on Mondays to talk about the fun stories of the weekends. I will miss him and my heart goes out to everyone that had the pleasure of knowing Marc.

I would like to express my sincere sympathy for the passing of Marc. I had the pleasure of working with him for many years. He was always willing to do whatever he could to help. I also enjoyed getting to know Marc as a person. He truly loved to be at home in his beautiful cabin with his animals. I liked to hear him talk about them like they were his children. I also enjoyed watching him get back into playing his drums. He knew how to have a good time. He will be greatly missed.
