“Cochise, you were always a good friend to myself and a lot of my friends at the Moose. I knew you before that though, through my friend Barbara Meredith who lived out there by the boat dock. Then years later you were a good friend to my ex-husband, who bought your houseboat, and to Sue Harrison and Mac McGill , very good friends of mine. You will surly be missed.##imported-begin##Myrna Wright##imported-end##
