“ Dear Vernon,

when i think of you I remember when we were all little kids. Running around an around Grannys house in Vidor. Little kids with not a care in the world. That time is long gone but the memories go on forever. I Love You.##imported-begin##Dina##imported-end##

“ My dear, sweet little brother. I love you so much. I am sure going to miss you. You will be in my heart forever. I dedicate this poem to you: THE BROKEN CHAIN We little knew that morning that God was going to call your name, In life we loved you dearly, in death we do the same. It broke our hearts to lose you, you did not go alone. For part of us went with you, the day God called you home. You left us peaceful memories, your love is still our guide, And though we cannot see you, you are always at our side. Our family chain is broken, and nothing seems the same, But as God calls us one by one, the chain will link again. We tried to get to you to say goodbye one last time, but you had to go. So, goodbye Vernon, I love you forever. Helen##imported-begin##Helen Stipe##imported-end##

“ Dearest Earlene, Johah and Jake,
I have a little poem for you 3:
Memories in the Heart
Feel no guilt in laughter, he knows how much you care.
Feel no sorrow in a smile that he's not here to share.
You cannot grieve forever, he would not want you to.
He'd hope that you can carry on, the way you always do.
So talk about the good times and the ways you showed you cared.
The days you spent together, all the happiness you shared.
Let memories surround you.
A word someone may say, will suddenly recapture a time, and hour,
a day,
That brings him back as clearly as though he were still here and fills
you with the feelings that he is always near.
For if you keep these moments, you will never be apart,
And he will live forever locked safe within your hearts.##imported-
